## State Exemption Master

Telemarketing is illegal on state holidays in Alabama, Louisiana, Mississippi, Pennsylvania, Rhode Island and Utah; however the following exemptions may apply:

| State        | Business to Business (B2B) | Established Business Relationship (EBR) | Express Written Consent |
|--------------|----------------------------|-----------------------------------------|-------------------------|
| Alabama      | Exempt                     | Exempt                                  | Exempt                  |
| Louisiana    | Exempt                     | Exempt                                  | n/a                     |
| Mississippi  | n/a                        | Exempt                                  | Exempt                  |
| Pennsylvania | n/a                        | Exempt                                  | Exempt                  |
| Rhode Island | n/a                        | Exempt                                  | n/a                     |
| Utah         | Exempt                     | n/a                                     | Exempt                  |

Note: Other exemptions may apply.
